# The Healthopedia Conclave 2025

is a premier gathering of Ahmedabad's healthcare leaders, professionals, and innovators. This inaugural event is the foundation of the **Healthopedia Circle** under Peers Global, created to bring together medical practitioners, healthcare businesses, and strategic enablers.

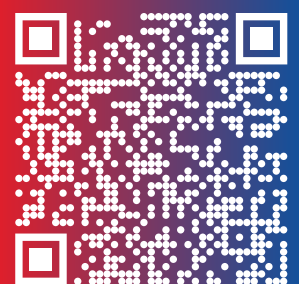

## As an attendee, you will:

- Gain access to **cutting-edge thought leadership** through keynotes, fireside chats, and panel discussions.
- Build **meaningful connections** with 100+ professionals in the healthcare industry.
- Participate in **roundtable conclave meeting sessions** designed to foster collaboration and knowledge exchange.
- Build relations with **sponsors and exhibitors** who are advancing healthcare innovation.

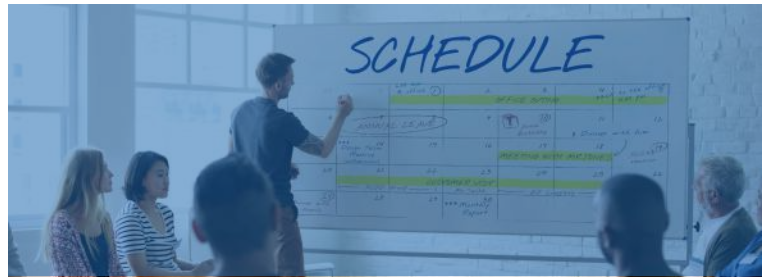

This is more than a conference — it's the start of a trusted peer-driven circle that will continue to grow through regular meetups and collaborations.
