# PEERS GLOBAL BUILDCON CATALYST 2025

is a premier gathering of Ahmedabad's real estate developers, builders, construction leaders, architects, and infrastructure professionals. This inaugural event marks the foundation of the **BuildCON Circle** under Peers Global - created to bring together industry stakeholders, allied businesses, and strategic enablers.

## As a delegate, you will:

- Gain access to thought leadership through keynotes and panel discussions.
- Build meaningful connections with 100+ curated professionals from real estate, construction & infrastructure.
- Participate in structured round table meetings designed for direct business opportunities and collaboration.
- Engage with sponsors and partners who are shaping the future of Ahmedabad's urban and infra growth.

This is more than a Event - it's the start of a peer-driven circle that will continue to grow through regular meetups, collaborations, and ecosystem-building initiatives.
